

Justine Sydney Thompson Stryker, M.S.

Curriculum Vitae

Department of Psychology

Florida State University

Cell: (609) 571-2116

E-mail: stryker@psy.fsu.edu

EDUCATION

- 8/2023 – Present **Doctoral Candidate in Clinical Psychology**
Florida State University, Tallahassee, FL
Major Advisor: Norman Brad Schmidt, Ph.D.
Dissertation Title: *Investigating Symbolic Facets of Emasculation as they Relate to Men's Interest in Firearms*
Expected Date of Completion: Aug 2026
- 8/2020 – 5/2023 **Master of Science in Psychology**
Florida State University, Tallahassee, FL
Major Advisor: Norman Brad Schmidt, Ph.D.
Master's Thesis Title: *Do Threats to Masculinity Predict Increased Firearm-Related Aggression in Men?*
- 8/2014 – 4/2018 **Bachelor of Science in Psychology**, *Magna Cum Laude*, Departmental Honors; Phi Beta Kappa
University of Pittsburgh, Pittsburgh, PA
Minors: Neuroscience, Italian
Honors Thesis Advisor: Lauren Hallion, Ph.D.
Honors Thesis Title: *Gender Differences in Trait Mindfulness and Their Relationships to Worry*

PRE-DOCTORAL CLINICAL PRACTICA EXPERIENCE

Individual and group treatments delivered: Cognitive-Behavioral Therapy (CBT), Exposure Therapy, Behavioral Activation (BA), Cognitive Processing Therapy (CPT), Exposure and Response Prevention (EX/RP), Habit Reversal Training, Parent-Based Anxiety Treatment, Cognitive-Behavioral Analysis System of Psychotherapy (CBASP), Motivational Interviewing (MI), Structured Life Review, Behavioral Sleep Medicine, Emotion Regulation Therapy, Social Skills Training,

Psychological tests administered to patients: ACT, ADOS-2, Beery VMI-6, BOSS, COWAT FAS, CPT, CVLT, D-KEFS, KTEA-3, NEPSY-II, PPVT-4, RIAS-2, SCWT, SDMT, TMT A & B, Vineland-3 (Comprehensive Parent Interview), WAIS-IV, WASI-II, WISC-V, WJ IV ACH, WJ IV COG, WPPSI-IV, WRAML3

Therapy Practica

- 7/2024 – 7/2025 **Children’s National Hospital**, Division of Psychology & Behavioral Health
Child and Adolescent Anxiety Disorders Program
Title: Clinical Psychology Extern
Location: Washington, DC
Setting: Outpatient clinic
Population: Children and adolescents diagnosed with anxiety disorders, feeding disorders, chronic pain, or diabetes.
Supervisor: Mi-Young Ryee, Ph.D.
Experiences:
- Conduct consultations, intake evaluations, and provide empirically based psychotherapy to address anxiety and related symptoms.
 - Co-lead a weekly Type I Diabetes group.
- 7/2024 – 7/2025 **Children’s National Hospital**, Division of Psychology & Behavioral Health
Feeding Disorders Program & Bariatric Surgery Program
Title: Clinical Psychology Extern
Location: Washington, DC
Setting: Outpatient clinic
Population: Children and adolescents diagnosed with a range of eating and feeding disorders, including AD, BN, ARFID, BED, and obesity
Supervisor: Sarah Hornack, Ph.D.
Experiences:
- Conduct consultations, intake evaluations, and provide empirically based psychotherapy to address eating disorder symptoms.
 - Consult with multidisciplinary team of psychiatrists, adolescent medicine physicians, and dieticians.
- 1/2024 – 5/2024 **Jefferson K-12 School**
Title: School Mental Health Therapist
Setting: Rural Title I public K-12 school
Location: Monticello, FL
Population: Primarily low-income Black/African American students presenting with a variety of concerns, including anxiety, depression, grief, impulse control difficulty, interpersonal conflict/altercations, social skills deficits, emotion dysregulation, and trauma exposure.
Supervisors: Amber Farrington, Ph.D.; Kate Dickinson, Ph.D.
Experiences:
- Conducted multi-method, multi-informant intake evaluations and provided empirically based, manualized treatments to address difficulties indicated during intake.
 - Conducted routine progress monitoring and risk assessment to ensure gains were being made and maintained.
- 12/2022 – 8/2023 **Youth Resilience Program at Florida State University**
Title: Program Clinician and Teen Group Leader
Setting: University clinic
Location: Tallahassee, FL

Population: Underserved adolescents (13-17) living in the State of Florida who at increased risk for suicide.

Supervisor: Victor Buitron, Ph.D.

Experiences:

- Individually led weekly telehealth group therapy sessions utilizing a novel cognitive behavioral therapy targeting perceived burdensomeness.
- Conducted telephone-based counseling and crisis management 3x per week.

6/2022 – 6/2024

Florida State University Multidisciplinary Evaluation & Consulting Center

Title: Child and Parent Group Therapy Leader

Setting: Multidisciplinary educational services center

Location: Tallahassee, FL

Population: Children and youth identified as having complex medical, educational, emotional, and/or behavioral problems; Parents of children receiving therapy services

Supervisors: Amber Farrington, Ph.D.; Kate Dickinson, Ph.D.; Delaney Boss, Ph.D.; Chrystal McDowell, Ph.D.

Experiences:

Parent Social Skills Training Group (May 2024-June 2024)

- Co-led a weekly social skills training group (Children's Friendship Training) for parents of elementary school-aged children with autism spectrum and related developmental disorders.

Parent Emotion Regulation Group (Jan 2024 – April 2024)

- Co-led novel emotion regulation group for parents of elementary school-aged children with difficulties regulating their emotions (The Zones of Regulation, adapted for parents).
- Part of an RCT comparing outcomes between groups with and without a parent component.

Parent Social Skills Training Group (Aug 2023 – Dec 2023)

- Co-led a weekly social skills training group (PEERS) for parents of middle and high school-aged adolescents with autism spectrum and related developmental disorders.

Early Elementary School Emotion Regulation Group (May 2023 – Aug 2023)

- Co-led a weekly emotion regulation skills group (The Zones of Regulation) for children in kindergarten through 3rd grade.

Middle & High School Social Skills Training Group (Jun 2022 – Aug 2022)

- Co-led a twice-weekly social skills training group (PEERS) for middle and high school-aged children with autism spectrum and related developmental disorders.

5/2022 – 7/2024

Anxiety & Behavioral Health Clinic at Florida State University

Title: Anxiety Disorders Therapist

Setting: University clinic

Location: Tallahassee, FL

Population: Adults and children from the community presenting with a range of anxiety, obsessive-compulsive, and trauma-related disorders.

Supervisor: Norman Brad Schmidt, Ph.D.

Experiences:

- Conducted intake evaluations, provided individual evidence-based treatments for anxiety and related disorders, conducted routine progress monitoring and risk assessment to ensure gains are made and maintained.

1/2022 – 7/2023

Florida State University Psychology Clinic

Title: Individual Therapist and Group Therapy Leader

Setting: University clinic

Location: Tallahassee, FL

Population: A diverse range of children and adults from the community presenting with a variety of psychological disorders.

Supervisors: Thomas Joiner, Ph.D.; Therese Kemper, Ph.D.; Christina Riccardi, Ph.D.; Jessica Ribeiro, Ph.D.

Experiences:

Individual Therapy

- Conducted intake evaluations, provided evidence-based evaluations and treatments, conducted routine progress monitoring and risk assessment to ensure gains were being made and maintained.

Rebuilding After Trauma Group Therapy (Jan 2022 – Jul 2023)

- Co-led a weekly Cognitive-Processing Therapy (CPT) group for adults in the community who have been sexually victimized.

Neuropsychological and Psychoeducational Evaluation Practica

7/2024– 7/2025

Children's National Hospital, Division of Pediatric Neuropsychology

General Neuropsychology Program &

Safe Concussion Outcome, Recovery and Education (SCORE) Program

Title: Neuropsychology Extern

Settings: Outpatient clinics

Locations: Lanham, MD and Annapolis, MD

Population: Children and adolescents from the community presenting with neurodevelopmental (e.g. ADHD, LD's, ASD, language disorders, genetic conditions.) and medical conditions (e.g. TBI, brain tumor, late-effects of chemotherapy, stroke, neurofibromatosis).

Supervisor: Julie Newman, Ph.D., ABPP-CN

Experiences:

- Conduct comprehensive neuropsychological assessments; participate in focused/serial assessments, parent consultations, feedback sessions, and interviews, write integrated reports.

1/2024 – 7/2024

Tallahassee Memorial Hospital, Department of Neuropsychology

Title: Pediatric Neuropsychological Assessment Trainee

Setting: Hospital Neuropsychology Clinic

Location: Tallahassee, FL

Population: Children and adolescents from the community presenting with neurological conditions.

Supervisor: Allison Moltisanti, Ph.D.

Experiences:

- Administered, scored, and interpreted neurocognitive assessments, conducted ASD and ADHD parent interviews, wrote integrated reports, and provided diagnostic feedback to parents.
- Administered, scored, and interpreted modules 1, 2 and 3 of the ADOS-2.

- 5/2023 – 5/2024 **Florida State University Student-Athlete Academic Services**
Title: Psychodiagnostic, Achievement, and Cognitive Assessment Trainee
Setting: University Counseling Clinic
Location: Tallahassee, FL
Population: FSU student-athletes who are seeking evaluations for learning disorders and ADHD.
Supervisor: Kristen Schmidt, Ph.D.
Experiences:
- Administered, scored, and interpreted psychodiagnostic, academic functioning and intelligence assessments; prepared integrated reports for each client; and conducted feedback sessions with student-athletes, their parents, and their advisors.
- 8/2022 – 6/2024 **Florida State University Multidisciplinary Evaluation & Consulting Center**
Title: Psychodiagnostic, Academic Achievement, and Cognitive Assessment Trainee
Setting: Multidisciplinary educational services center
Location: Tallahassee, FL
Population: Children and youth presenting for evaluations for learning disorders, ADHD, and ASD.
Supervisors: Anne Selvey, Ph.D.; Lauren Hutto, Ph.D.; Shannon Bennett, Ph.D.; Kate Dickinson, Ph.D.; Delaney Boss, Ph.D.
Experiences:
- Administered, scored, and interpreted psychodiagnostic, academic achievement, cognitive processing, and intelligence assessments; prepared integrated reports for each client; and conducted feedback sessions with clients' families and school administrators.
- 8/2022 – 12/2022 **Florida State University Psychology Clinic**
Title: Psychoeducational Assessment Trainee
Setting: University clinic
Location: Tallahassee, FL
Patient: 16-year-old girl who was diagnosed with an intellectual developmental disorder as a result of this evaluation.
Supervisors: Michael Kofler, Ph.D.; Therese Kemper, Ph.D.
Experiences:
- Administered, scored, and interpreted psychodiagnostic, academic achievement, cognitive processing, and intelligence assessments, prepared integrated report, and provided diagnostic feedback to patient's parents.

PREVIOUS CLINICAL EXPERIENCE

- 6/2018 – 7/2020 **Rhode Island Hospital/Brown Medical School**
Title: Clinical Research Assistant
Primary Setting: Adult partial hospitalization program (PHP)
Population: Adults presenting with a range of severe mental illnesses, including substance use disorders, psychotic disorders, depressive disorders, anxiety disorders, bipolar disorders, personality disorders, posttraumatic stress disorder
Secondary Setting: Outpatient clinics

Population: Adults from the community presenting with a range of mental health concerns or who

were presenting for pre-surgical psychological evaluations.

Location: Providence, RI

Head Supervisor: Mark Zimmerman, MD.

Experiences:

Psychodiagnostic Evaluations:

- Conducted over 150 comprehensive psychodiagnostic evaluations using the SCID-IV-TR, SADS, SID-P, and self-report measures and prepared reports for clinicians to utilize in their treatment planning the following day.
- Trained incoming research assistants and clinical psychology doctoral interns on interview administration, ratings, and report preparation.

Pre-surgical Evaluations

- Conducted pre-surgical psychiatric evaluations using the RIBSI and SCID of individuals seeking bariatric surgery and prepared reports to facilitate psychiatrists' evaluations of patients' surgical suitability.

Transcranial Magnetic Stimulation (TMS) Administration

- Trained and certified as a TMS coordinator using NeuroStar™ technology.
- Conducted TMS treatment sessions with adult psychiatric outpatients in treatment for severe major depressive disorder.

Utilization Reviews

- Obtained pre-authorization for patients in the partial hospital program and conducted ongoing reviews with insurance companies.

1/2018 – 4/2018

University of Pittsburgh Medical Center (UPMC), Western Psychiatric Institute & Clinic (WPIC)
Acute Adolescent Partial Hospitalization Program

Title: Clinical Intern

Setting: Partial hospitalization program

Location: Pittsburgh, PA

Population: Adolescents presenting with a range of severe mental illnesses, including psychotic disorders, depressive disorders, anxiety disorders, bipolar disorders, personality disorders, posttraumatic stress disorder

Experiences:

- Co-led group CBT and DBT therapy groups and wrote clinical progress notes.

6/2017

University of Pittsburgh Medical Center (UPMC), Western Psychiatric Institute & Clinic (WPIC)
Dual Diagnosis Unit

Title: Clinical Intern

Setting: Inpatient psychiatric hospital

Location: Pittsburgh, PA

Population: Psychiatric inpatients presenting with dual substance-use and mental health disorders.

Experiences:

- Learned de-escalation techniques, lethality assessment protocol, and therapeutic techniques such as motivational interviewing (MI) in both individual and group settings.

3/2017 – 5/2018

Pittsburgh Action Against Rape

Title: Hotline Volunteer and Program Information Specialist

Setting: Rape crisis center

Location: Pittsburgh, PA

Population: Adults in the community who have been sexually victimized

Experiences:

- Conducted crisis counseling to individuals in distress through the center's crisis hotline and provided psychoeducation regarding the etiology of PTSD to incoming therapy clients.

RESEARCH EXPERIENCE

- 12/2022 – 8/2023 **Youth Resilience Program**, Center of Population Sciences for Health Equity, Florida State University
Title: Graduate Research Assistant
Principal Investigator: Victor Buitron, Ph.D.
Responsibilities:
- Created baseline, and post-treatment surveys in Qualtrics, created paid social media campaigns to recruit participants and increase engagement, and managed social media pages.
- 8/2021 – 7/2024 **Anxiety & Behavioral Health Clinic**, Department of Psychology, Florida State University
Titles: Lead Project Coordinator and Graduate Research Assistant
Principal Investigator: Norman Brad Schmidt, Ph.D.
Projects and Responsibilities:
Retirement Research Foundation for Aging RCT (Aug 2023 – Jul 2024)
- Lead Project Coordinator
 - Train undergraduate and post-baccalaureate research assistants in data collection.
 - Monitor participant recruitment and data collection.
- Development of Experimental Paradigms for Studying Gun Violence in the Laboratory (Aug 2021 – Dec 2021)
- Supervised undergraduate and post-baccalaureate research assistants in data collection.
- 6/2018 – 7/2020 **The Rhode Island Methods to Improve Diagnostic Assessment and Services (MIDAS) Project**, Brown University Medical School
Title: Clinical Research Assistant
Principal Investigator: Mark Zimmerman, MD.
Responsibilities:
- Collected daily patient scales, completed IRB submissions, participated in weekly literature review meetings, managed multiple databases of over 5,000 patients, and performed analyses for presentations and publications.
 - Investigated newly constructed self-report and clinician-rated symptom severity/impairment measures.
- 5/2017 – 4/2018 **Cognitive and Neural Mechanisms of Anxiety (CNMA) Lab**, Department of Psychology, University of Pittsburgh
Titles: Undergraduate Research Assistant and Honors Thesis Student
Principal Investigator: Lauren Hallion, Ph.D.
Responsibilities:

- Conducted clinical interviews with both undergraduate participants and participants from the Pittsburgh community, screened potential participants for exclusion criteria and consented them, and ran study participants utilizing E-Prime software and Qualtrics.

1/2017 – 4/2017 **Affective Neuroscience and Developmental Psychopathology (ANDP) Lab**, Department of Psychiatry, University of Pittsburgh Medical Center (UPMC)

Title: Undergraduate Research Assistant

Principal Investigator: Erika Forbes, Ph.D.

Responsibilities:

- Conducted clinical interviews with adolescent participants from the Pittsburgh community, screened potential participants for exclusion criteria and consented them, and ran study participants utilizing E-Prime software.

1/2015 – 4/2015 **Developmental and Motivation Research Lab**, Learning Research & Development Center, University of Pittsburgh

Title: Undergraduate Research Assistant

Principal Investigator: Ming-te Wang, Ed.D.

Responsibilities:

- Transcribed hour-long recordings between study personnel and two 7th grade math teachers, utilized Dedoose Coding Software to code and analyze qualitative data, and conducted follow-up interviews with the two teachers to assess their beliefs and attitudes about reform programs that are student-directed, discussion-based, and metacognitive (e.g., Lead to Learn).

PEER-REVIEWED ARTICLES

10. **Stryker, J.S.T.**, Schmidt, N.B. (in-press). Threats to masculinity provoke gun use: An experimental study using a firearm training simulator. *Psychology of Men & Masculinities*.
9. **Stryker, J.S.T.***, Mallot, M.A.*, Schmidt, N.B. (2024) Paranoia and social anxiety: Predicting aggressive behavior. *Behavior Therapy*, 55 (4), 825—838.
*Both authors contributed equally to the manuscript
8. Shapiro, M.O., **Thompson, J.S.**, Short, N.A., Schmidt, N.B. (2022). Uncertainty after sexual assault: Understanding associations between IU and PTSD within a treatment-seeking sample. *Current Psychology*, 42(16), 13877—13886.
7. Zimmerman, M., **Thompson, J.S.**, Mackin, D. M., (2022). The relative importance of diagnostic specific and transdiagnostic factors in evaluating treatment outcomes of depressed patients. *Psychiatry Research*, 317, 114883.

Exploring the optimal factor structure of the Five Facet Mindfulness Questionnaire: Associations between mindfulness facets and dimensions of psychopathology. *Journal of Personality Assessment*, 104(6), 813—823.
5. **Thompson, J. S.**, Jamal-Orozco, N., & Hallion, L. S. (2021). Dissociable associations of facets of mindfulness with worry, rumination, and transdiagnostic perseverative thought. *Mindfulness*, 13(1), 80—91.

4. **Thompson, J.S.**, Schmidt, N.B. (2021). The role of anxiety sensitivity in anger symptomatology: Results from a randomized controlled trial. *Journal of Anxiety Disorders*, 83, 102462.
3. **Thompson, J. S.**, Kiefer, R., Diehl, J. M., & Zimmerman, M. (2020). Impact of anxiety on dropping out of treatment for depression at an intensive partial hospitalization program. *Annals of Clinical Psychiatry*, 32(4), 249—255.
2. Zimmerman, M., **Thompson, J. S.**, Diehl, J. M., Balling, C., & Kiefer, R. (2020). Is the DSM-5 anxious distress specifier interview a valid measure of anxiety in patients with generalized anxiety disorder: A comparison to the Hamilton anxiety scale. *Psychiatry Research*, 286, 112859.
1. Rodriguez-Seijas, C., **Thompson, J. S.**, Diehl, J. M., & Zimmerman, M. (2020). A comparison of the dimensionality of the Hamilton Rating Scale for anxiety and the DSM-5 Anxious Distress Specifier Interview. *Psychiatry Research*, 284, 112788.

MANUSCRIPTS UNDER REVIEW & IN PREPARATION

- Morabito, D., Bedford, C., **Stryker, J.S.T.**, Martin, A., Schubert, T. (in-prep). *Examining the acceptability of PTSD treatments: A Review*.
- Zimmerman, M., **Stryker, J. S.T.**, Attiullah, N., Benoff, T., Boerescu, D., Friedman, M., McKone, M., McQuiggan, M., Mysels, D., Patel, S., Toba, C., Trayner, J. (under review). *What should be the goals of treatment for depression? The patient's perspective*.

SYMPOSIUM & ORAL PRESENTATION

2. Diehl, J. M., Rodriguez-Seijas, C., **Thompson, J. S.**, Dalrymple, K., Chelminski, I & Zimmerman, M. (November 2019). *Associations of facets of mindfulness with transdiagnostic factors of psychopathology*. Invited oral presentation at the Mindfulness and Acceptance SIG at the 53rd Annual Association for Behavioral and Cognitive Therapies (ABCT) Conference, Atlanta, GA.
1. Zimmerman, M., **Thompson, J. S.**, Kiefer, R., Balling, C., Kerr, S., & Morgan, T. (2019, October). *Effectiveness of an intensive treatment program for patients with depression and borderline personality disorder*. Presented at the 16th Congress of the International Society for the Study of Personality Disorders (ISSPD), Vancouver, BC.

POSTER PRESENTATIONS

*Indicates undergraduate mentee

12. **Thompson, J.S.**, Mallot, M.A., Schmidt, N.B., (2022, November). *Paranoia Uniquely Predicts Aggression in Individuals with Social Anxiety*. Poster presented at the 56th annual Association for Behavioral and Cognitive Therapies (ABCT) Conference, New York, NY.
11. **Thompson, J.S.**, Mallot, M.A., Schmidt, N.B., (2021, March). *Paranoia and Social Anxiety: Predicting Aggressive Behavior*. Poster presented at the annual anxiety and depression conference of the Anxiety and Depression Association of America (ADAA), Denver, CO.
10. **Thompson, J.S.**, Schmidt, N.B. (2021, November). *Anxiety Sensitivity as a Treatment Target for Anger Problems: Findings from a Randomized Controlled Trial*. Poster presented at the 55th annual Association for Behavioral

and Cognitive Therapies (ABCT) Conference, New Orleans, LA.

9. Kiefer, R., **Thompson, J.S.**, Chelminski, I., Dalrymple, K., & Zimmerman, M. (2020, November). *The weight of trauma: PTSD's unique contribution to psychiatric outpatient's BMI status*. Poster presented at the 36th annual International Society for Traumatic Stress Studies (ISTSS). Atlanta, GA.
8. **Thompson, J. S.**, Diehl, J. M., & Zimmerman, M. (2020, March). *Does anxiety play a role in predicting treatment dropout for major depressive disorder at an intensive partial hospitalization program?* Poster accepted for presentation at the annual anxiety and depression conference of the Anxiety and Depression Association of America (ADAA), San Antonio, TX. (conference canceled due to COVID-19 pandemic).
7. **Thompson, J. S.**, Jamal-Orozco, N., & Hallion, L. S. (2019, November). *Relationships between the facets of mindfulness and perseverative thought*. Poster presented at the 53rd annual Association for Behavioral and Cognitive Therapies (ABCT) Conference, Atlanta, GA.
6. Kiefer, R., **Thompson, J. S.**, Diehl, J. M., & Zimmerman, M. (2019, November). *Differences in non-overlapping groups of psychiatric outpatients with MDD, PTSD, and comorbid MDD/PTSD*. Poster presented at 53rd annual Association for Behavioral and Cognitive Therapies (ABCT) Conference, Atlanta, GA.
5. Diehl, J. M., Rodriguez-Seijas, C., **Thompson, J. S.**, Dalrymple, K., Chelminski, I & Zimmerman, M. (2019, November). *Associations of facets of mindfulness with transdiagnostic factors of psychopathology in a heterogeneous clinical sample*. Poster presented at the 53rd annual Association for Behavioral and Cognitive Therapies (ABCT) Conference, Atlanta, GA.
4. Diehl, J. M., Rodriguez-Seijas, C., **Thompson, J. S.**, Dalrymple, K., Chelminski, I., & Zimmerman, M. (2019, November). *Clarifying the optimal structure of the Five-Factor Mindfulness Questionnaire (FFMQ) among two large clinical samples*. Poster presented at the 53rd annual Association for Behavioral and Cognitive Therapies (ABCT) Conference, Atlanta, GA.
3. Cilli, S.,* Saatz, I.,* **Thompson, J. S.**, Diehl, J. M., Zimmerman, M. (2019, November). *Does the presence of borderline personality predict lower resilience after controlling for the presence of post-traumatic stress disorder?* Poster presented at the annual Conference of the New England Psychological Association (NEPA), Manchester, NH.
2. Donegan, J. *, Volpe, B. *, Diehl, J.M., **Thompson, J. S.** (2019, November). *How does age group impact treatment outcomes in depressed partial hospitalization patients?* Poster presented at the annual conference of the New England Psychological Association (NEPA), Manchester, NH.
1. **Thompson, J. S.**, Hofkens, T., & Wang, M. T. (2015, April). *The nature of reform-oriented math instruction*. Poster presented at the University of Pittsburgh's Dietrich School of Arts & Sciences' annual First Experiences in Research poster session, Pittsburgh, PA.

PROFESSIONAL TRAINING

5/2025

Autism Diagnostic Observation Schedule, Second Edition (ADOS-2) Training Workshop

- Hosted by the Center for Autism Research at Children's Hospital of Philadelphia
- 16-hour didactic seminar and training on the ADOS-2 administration and coding
- *Trainer:* Whitney Guthrie, Ph.D., co-author of the Toddler Module of the ADOS-2

TEACHING & MENTORING EXPERIENCE

- 1/2022 – 12/2022 **Department of Psychology, Florida State University**
 Title: Graduate Teaching Assistant
- Fall 2022: Cognitive Psychology Laboratory (27 Students)
 - Spring 2022: Research Methods Laboratory (54 Students)
- 3/2021 – 5/2022 **Anxiety & Behavioral Health Clinic, Florida State University**
 Title: Directed Independent Study (DIS) Instructor and Coordinator
- Recruited and provided mentorship to undergraduate directed independent study students for the Anxiety and Behavioral Health Clinic.
- 6/2019 – 8/2019 **The Rhode Island Methods to Improve Diagnostic Assessment and Services (MIDAS) Project, Brown University Medical School**
 Title: Summer Internship Co-Director
- Recruited and hired four summer interns and instructed them on data entry tasks and advised on conducting independent research projects.
- 1/2017 – 4/2017 **Department of Psychology, University of Pittsburgh**
 Title: Undergraduate Teaching Assistant
- Graded assignments, assisted in running lectures, and helped students with questions regarding class content and/or techniques for studying psychology.

HONORS, AWARDS, & PROFESSIONAL ORGANIZATIONS

2022	Graduate Research Development Travel Award (\$600)
2020, 2021, 2022	Congress of Graduate Students Presentation Grants (\$900; total: 3)
Apr 2018-	Member of Phi Beta Kappa Honors Society
Jan 2020-	Member of the Anxiety and Depression Association of America (ADAA)
Jun 2019-	Member of the Association of Behavioral and Cognitive Therapies
May 2017-Apr 2018	Vice President of Psi Chi Honor Society, University of Pittsburgh
Apr 2015-Apr 2018	7x Dean's List Award Recipient, University of Pittsburgh
2017-2018	Student Affiliate of the American Psychological Association
Aug 2016	Recipient of the Study Abroad Office Scholarship (\$1,000), University of Pittsburgh

AD HOC REVIEWING EXPERIENCE

Journal of Nervous and Mental Disease

MEDIA COVERAGE

"The Cycle of Domestic Violence and Assault." (2017, October, 19). **The Insider**: A University of Pittsburgh student-run newspaper. Retrieved from <https://insiderupg.com/2017/10/19/the-cycle-of-domestic-violence-and-assault/>

SERVICE

- 12/2022 – 7/2024 **Diversity in Psychology Organization of Graduate Students (DPOGS)**
 Title: Religious Minority Representative
 Florida State University, Tallahassee, FL
- Elected by FSU psychology graduate students.

- Advocated on behalf of religious minority graduate students who have experienced religious-based discrimination and help them navigate FSU's grievance processes.

2/2016

Ethan J. Hatke Scholarship Fund

Title: Co-founder

- In honor of Ethan Hatke, a former Hopewell Valley Central High School swimmer and Virginia Tech student who passed away in 2015 from cardiac arrest.
